Highly sought after location in Cape Haze, the home is on the very southern canal of the neighborhood, which means that boaters are instantly in the world-class fishing waters of Charlotte Harbor or to Gasparilla Pass and the Gulf of Mexico. New concrete seawall and a wide section of the canal allows for very large vessels to easily navigate and dock at the property. A superb location, the home sits on a .68 acre lot, tucked in a secluded area of the historic Vanderbilt developed neighborhood of Cape Haze the streets are lined with towering banyan trees. The classic 1960's home is in phenomenal like-new condition after a complete 2025 renovation inside and out. It beautifully blends some of its best retro features like gorgeous terrazzo flooring with endless new features from the 2025 project that includes a new roof, beautiful new kitchen, bathrooms, LVP in guest rooms, pool cage, swimming pool tile and resurface. new nool heater. all anpliances. new water heater.
